Popis

The Bizerba XC II 800 Pro offers you functions for the modern fresh food counter: you can use it to weigh and label goods, advise customers and collect payments. Communicate information, advertising content and cross-selling campaigns via the brilliant customer display. Combined with a cash drawer, the counter scale becomes an efficient checkout solution. The 3-in-1 printer is unique on the market: you can print receipts, labels and linerless with just one device. The powerful and open PC platform offers you high performance: the large working memory has the reserves you need to implement new features or individual requirements.
