Description

For weighing ranges up to 15 kg, 30 kg, 60 kg and 150 kg. The selection of high quality materials for the iL Professional 150F/HY such as a weighing platform made of s/s 1.4301 or a corrosion-free load platter ensure optimal wear and tear resistance particularly in case of extreme surrounding conditions. In combination with the Bizerba weighing terminal the iL Professional can perform many tasks.
