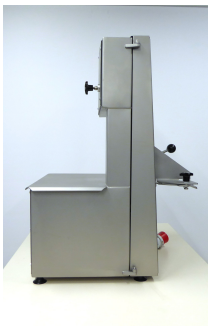
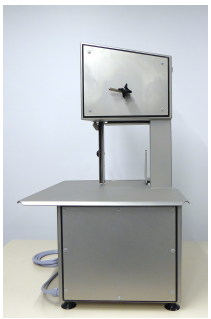
Přehled

MBP250

Číslo zařízení: 12380275





Popis

The manual bandsaw MBP250 is made entirely of stainless steel and manufactured to the highest quality all round. Ergonomic and effective comminution and portioning of fresh and frozen foods. With a cutting height of max. 250 mm it's suitable for fresh fish as well as for frozen meat, products with bones such as shanks / osso buco and soup bones. Due to the wide range of saw blades high quality products such as fine fish or matured beef can be processed by accurate weight and optically appealing.
