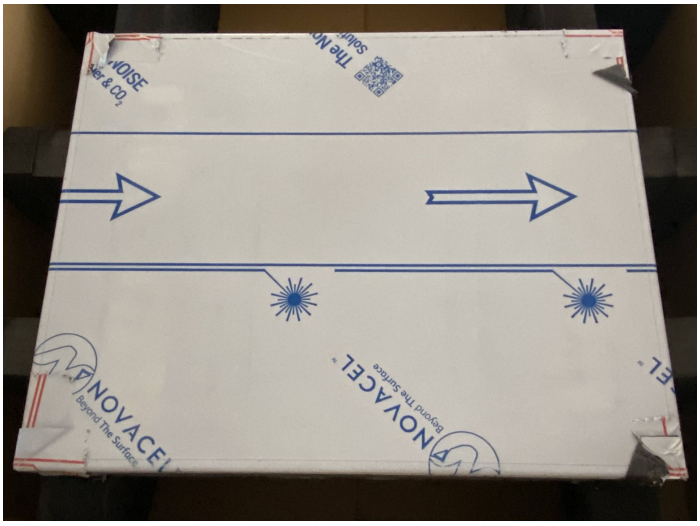
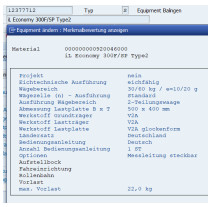
Přehled

iL Economy 300 F/SP Type 2

Číslo zařízení: 12377712





Popis

The iL Economy 300F/SP Type2 single-point load receptor is suitable for use in dry or wet areas. The dry area version is made of galvanized steel and an aluminium load cell. The model for wet areas uses stainless steel for both the supports and the load cells, offers protection ratings up to IP69 and can therefore withstand extremely harsh environmental conditions. The stainless steel bell bridge, which is visible to the user, is part of both versions.

Informace o produktu

Model:	Economy
Povrch:	Stainless steel
Rok výroby:	2024
Rozměry nosné desky:	500mm x 400mm
Rozsah váživosti:	30/60 kg
Stav :	Zrekonstruováno podle standardů Bizerba
Záruka:	6 měsíců
Location:	Germany
Material number:	9090834 Industry Scale < 30 kg
